Where to Watch in India — Live Streaming & TV

Indian football supporters have **official broadcast and streaming options** to catch every minute of Manchester City vs West Ham United:

Live Streaming Options

- **JioHotstar:** The **primary digital live-streaming platform** for English Premier League matches in India. Fans can watch the game live on the JioHotstar app or website with a valid subscription.
- **Star Sports Network:** Matches can also be broadcast on **Star Sports Select** channels, depending on regional telecast schedules and rights packages in India. KheI Now

TV Broadcast

- **Star Sports Select HD/Star Sports Select 1:** These channels often hold **TV broadcast rights** for Premier League matches in India, including marquee fixtures like Manchester City vs West Ham United.
- **Star Sports HD:** Certain matches (including replays and daily football highlights) may also be shown here.

👉 *Pro tip:* Check your local Star Sports schedule closer to match day for exact channel details and timing in your region. Khel Now

Global Viewership — How the Match Is Broadcast Worldwide

While this guide focuses on India, fans across the world also have dedicated services:

Region	Broadcaster	Streaming Platform
USA	USA Network	Peacock / NBC Sports
Canada	DAZN	DAZN App
Australia	9HD, Stan Sport	Stan Sport
Sub-Saharan Africa	SuperSport	DStv / GOtv
UAE / MENA	beIN Sports	beIN SPORTS CONNECT

📌 Remember: Availability of certain channels and streaming services may vary based on licensing agreements and your location.

How to Watch on Different Devices

Whether you're on mobile, tablet, or TV, here are common ways to stream the match:

Mobile & Tablet

- **JioHotstar App** – Available on Android and iOS.
- **Star Sports App** – Offers channel streaming in some regions where rights permit.
- **Hotstar Website** – Accessible via browser on laptops or desktops.

Smart TV & Streaming Devices

- **JioTV / JioHotstar on Smart TV** – Installable on Android TVs and smart devices.
- **Set-top Box** – Tune into **Star Sports Select** channels.
- **Streaming Sticks (e.g., Fire TV, Chromecast)** – Use the JioHotstar app or supported channels.

Tips for Legal and Quality Streaming

Watching sports events legally ensures high-quality streaming and supports the football ecosystem. Here are some tips:

- ✓ **Subscribe to official services (JioHotstar or Star Sports)** rather than relying on unofficial links.
- ✓ **Check for promotional offers** from ISP or streaming partners — sometimes discounted match passes are available.
- ✓ **Connect to high-speed internet** (5 Mbps or more) to avoid lag or buffering.
- ✓ If abroad, **log in to your subscribed Indian streaming service** before match day to avoid geo-restriction issues.

Match Significance: What to Expect

This Premier League fixture pits one of England's most consistent title contenders, **Manchester City**, against the resilient **West Ham United**. City aims to extend their strong league form during the festive fixture schedule, while West Ham will be looking to upset their opponents and gain crucial points. Many previews predict an action-packed encounter full of pace and attacking intent. Bitter and Blue

Post-Match Access — Replays & Highlights

If you miss the live action, don't worry — there are ways to catch up:

JioHotstar Replays and Highlights:

Watch full-match replays and condensed highlights shortly after the final whistle on the app or website.

Star Sports Highlights:

Short highlights packages are often shown on Star Sports channels throughout match week.

Club Channels and Social Media:

Both Manchester City and West Ham United will share match clips and key moments on their official YouTube, Instagram, and Twitter accounts.
